Aluminium SCREENS & SHUTTERS

Create private, wind free areas on your deck with these clean lined, low maintenance aluminium screens and shutters

Santa Fe Aluminium Screens and Shutters are designed to help you create beautiful, functional and affordable outdoor rooms that give you the ability to make the most of your indoor / outdoor living all year round.

Select from our huge range of powdercoat colours to ensure that your shutters enhance the exterior colour scheme of your home and look great for years to come.

The shutters can be installed to slide or bifold to allow you the flexibility to fully open or fully enclose your outdoor area. Or, you can choose the more cost effective option of having a screen fixed in place. The blades can be fully adjustable or fixed.

Santa Fe combines style with practicality to help you create a unique statement on your home, office or holiday home. Whichever product you choose, you can be certain that Santa Fe will work alongside you to provide you with a great service experience.
