

UNEX

SAFA-SLAT

A stylish structural infill
for balustrades and screens.

UNEX SAFA-SLAT

So much more than a pre-engineered, compliant safety barrier, the Safa-Slat does double duty as a balustrade that offers great privacy at lower heights, while also offering superior screening and wind protection.

An ideal privacy divider for close-quarter living and unit or apartment balconies, this high-performing balustrade is ideal for concealing unsightly services or as a shed extension for your home.

General Arrangement

The slats attach to the aluminium infill and this infill slides into the recess of the post.

Slats Available In **Two** Sizes:

Safa-Slat **50x16mm**

Structa-Slat **70x19mm** specially designed for larger spans and higher loadings

The gap between the slats must not exceed 14mm to comply with section F4 of the NZ building code

Key Features

- Top or face fixed to timber, concrete or steel with a range of six top rails to choose from
- Designed with concealed assembly fasteners, simple clean lines, tidy joints with no welds
- 316 stainless steel fittings
- Optional offset baseplate and DKG2 (gutter) brackets available
- Full CAD details and producer documentation available for specifiers
- Downloadable pre-engineered Producer Statements (PS1s) for standard heights up to 1200mm from finished deck level, with expert advice available for more bespoke applications
- Safa-Slat is ideal for applications such as privacy screens, patio and landscape screens, standard height balustrades and can be used in combination with other UNEX styles

Colours

Aluminium can be powdercoated to a colour of your choice. A wide range of exterior powdercoat finishes are available. Duralloy or equivalent is the standard finish supplied, unless stated otherwise, which provides excellent resistance to weather and salt spray.

Warranty

Material supplied by UNEX has a warranty period of 10 Years for Residential applications and 5 Years in Commercial applications.*

Typically, the powdercoat colours have a 15 Year durability and 15 Year colour warranty* but can vary depending which colour and powder specification is selected.

**Subject to terms & conditions, care & maintenance.*
